

Arborist

The Idaho Nursery Association and its members

would like to invite you to give us a call. We will come to YOUR school and give a presentation to students about the Careers in Horticulture.

You can visit The Land Lovers website at <http://www.thelandlovers.org> to see for yourself the wonderful opportunities there are for students in this industry.

***Please call Ann Bates, INLA Executive Director at
800-462-4769 to schedule a time for us to visit.***

Irrigation

What You Can Do...

- Quite simply, LandLovers work with and for the land, and love what they do.
- When you step outside, virtually everything you see that isn't asphalt has been touched at some point by someone in the nursery and landscape industry.

**Landscape
Design**

4 Reasons To Consider Horticulture...

- Jobs galore - in every part of the country!
- Make a difference – tangible results/immediate satisfaction
- Show me the money – skilled professionals make an excellent living
- Enter through different channels – a high school diploma, a college degree, or on-the-job training are all entry points!
