

INLA Scholarship Donation Form

Will you help a horticulture student?

The Idaho Nursery & Landscape Association has a scholarship program to assist horticulture students with their education. The program is funded totally by donations. Wouldn't you like to help out a student in obtaining their horticulture degree?

At this time we have two funds for our scholarship donations. You may choose where your money goes. Please check one and print your info on your computer (it's a form) then print it out and send it in to the INLA.

_____ Dave Hash Scholarship Fund

Dave was an INLA President in 1998, and had been involved with the INLA for over 30 years. He owned Hash Tree Company with his wife, Nancy. He always strived to make things better and will be dearly missed.

_____ General INLA Scholarship Fund

\$ _____ Amount of Donation

Thank you for support!
