Announcing INLA exams being offered summer 2010:

**Certified Nursery Professional (CNP) & Certified Plant Diagnostician (CPD)
July 15th in Boise**

**Certified Landscape Technician (CLT) & additional PLANET Exams
(CLP, COLP, CTP-CSL, CTP)
September 17th (written) 18th (hands on), 2010**

CNP & CPD is currently scheduled for one summer location in 2010. On July 15th we will begin at the CWI Horticulture Building (old Guard House), Old Penitentiary Road, Boise at 8:30 am for the plant identification portion of the exam. Written exams will be given in the afternoon in the CWI classroom. *Lack of participants may result in test being cancelled.*

CLT full test and retakes will be given on September 17th and 18th. The written exams will be given on the 17th at the CWI Horticulture Building on Old Penitentiary Road. A major portion of this test is hands-on and will be given on the 18th at a test site located at the end of Goodman Road which is near the CWI location and the Idaho Botanical Gardens. *You must register prior to August 26th; no on site registration is allowed.*

*Please call today to receive an application –or go to www.inlagrow.org
applications must be returned
via fax or postal mail to the INLA office by the following deadlines:*

***CNP & CPD, return application by June 30th
CLT full test & retakes, return application by August 26th***

***This is your opportunity to be recognized as a
trained professional with expertise in the Green Industry!***
